**Adopt-A-Worker**  
**\*\*New Ministry\*\***

Adopt-A-Worker promotes collaboration between the church and the Okla. Dept. of Human Services in an effort to encourage and equip the faith community to serve people in need. It was developed in 2002 to activate congregations toward the needs of their communities. The relationship we develop with a particular DHS case worker in our area will help up reach into our community in a manner than can transform lives. If you are interested in being a part of this ministry or learning more about it, Ashley Ratzlaff has agreed to be our churches liaison and can answer your questions. Brochures describing this ministry are available at the registration desk in the main foyer.
