5:00 p.m.

We will be ordaining our 3 deacon candidates. If you have never attended one of these services then I want to encourage you to do so. Over the past several months, Tom Johnson, Mark Cypert and Ronnie Taber have met with the current deacons and have explored the Bible examining the role and call of deacons.

Please plan to be here and support your church and these men and their families as we as a church recognize God's call on their lives.

Fellowship Following The Service

A NOTE OF

Dear Church,
 Thank you for volunteering your time and resources this past school year to make ministry successful at Tulsa Community College West Campus. Through the BCM (Baptist Collegiate Ministry), we have seen God do some great things. We are now the campus largest organization. This means at West campus, the core of student life now revolves around the gospel of Jesus Christ. The main reason for this, besides continuous prayer, is the noonday event our churches participate in. Were it not for this event, the front door to our ministry, there is no way we would see as much ministry happening as we do. Our number of students involved in missions this year has jumped from 2 to 12. Our worship team grew from 2 to 5. Our leadership training grew from 3 to 7. Each of these numbers representing another life forever impacted by God because of the willingness of your church to partner with us.

So that is a summary of what we've done and I hope

you know how vital your role is in opening the door for God to work in the life of college students in West Tulsa. Your efforts have done more than feed hungry people. By providing and serving food, you helped open the door for students to pour their lives into the lives of their lost peers. Thank you for being a part of this and please continue to pray for all that God will do in the lives of college students through your partnership with BCM.
