LOUIE GIGLIO

The heavens are telling the glory of God, and their expanse declares the work of His hands. Night after night they remind us of just how small we are, and how huge God is. Looking out into the far reaches of the universe, we find a seemingly infinite expanse of mystery and wonder, intricately fashioned by a God of unfathomable size and power. ***Indescribable*** takes us on an image-rich journey through the cosmos, allowing us to peer into God's universe to discover the amazing magnitude of His greatness and grace.

We mourn the loss and celebrate the home going of long time member Cecile Brite, who joined our heavenly father, July 17, 2009.

Dear Church Family,
 Thank you so much for all of the thoughts and prayers over the last two years and especially the last month for my dad. We were absolutely overwhelmed by the love, generosity and friendship that was shown to us. There really aren't enough words. We are so blessed to be a part of an awesome church family! God is so great ... I'm going to see my dad again! Thank you for the plant! I love it.
 Love,
 The Cyperts
