**We hope you can come and enjoy
the evening with us.**

Dear Church Family,
 Thank you very much for donating the wonderful gift of school supplies to Sand Springs Community Service, Inc. for the "Back to School" program. On behalf of the Board of Directors, the staff and all of our volunteers for the program, we want to express how greatly we appreciate your support of our community. The annual Back to School program helps provide school supplies and clothing for children in need. Your contribution went specifically to assist those children.

In 2011 SSCS and our partners, helped provide school supplies and clothing for 570 children through this program. We believe that every child deserves a fair chance to be successful. Having the tools and clothing they need makes a big difference in their world. Your support is very much a part of their success.

It is with deep appreciation that we express our gratitude for your involvement and partnership with Sand Springs Community Services. Your participation and generosity is a true reflection of your heart to help others. You are truly making a difference in Sand Springs. Thank you so very much!

Sincerely,

Judy Treat~Executive Director
