Dear Church Family,

Thank you very much for the generous donation of school supplies to Sand Springs Community Service, Inc. for the "Back to School" program. On behalf of the Board of Directors, and as the SSCS Executive Director, I want to personally express how greatly we appreciate your support of our community. The annual Back to School program helps provide school supplies and clothing for children in need. Your contribution will go specifically to assist those children.

In 2010 SSCS and our partners, helped provide school supplies and clothing for 667 children through this program. We believe that every child deserves a fair chance to be successful. Having the tools and clothing they need makes a big difference in their world. Your support is very much a part of their success.

It is with deep appreciation that we express our gratitude for your involvement and partnership with Sand Springs Community Services. Your participation and generosity is a true reflection of your heart to help others. You are truly making a difference in Sand Springs. Thank you so very much!

Jadine Nollan
 Executive Director
