Lottie Moon

Lottie served 39 years as a missionary, mostly in China's Shantung province. She taught in a girls' school and often made trips into China's interior to share the good news with women and girls.

Moon shared her personal finances and food with anyone in need around her, severely affecting both her physical and mental health. In 1912, she only weighed 50 pounds. Alarmed, fellow missionaries arranged for her to be sent back home to the United States with a missionary companion. However, Moon died en route, at the age of 72, on December 24, 1912, in the harbor of Kobe Japan.

Olivet's Lottie Moon Christmas Offering Goal for December 2010 is \$12,000.00.

The offering goes to the International Mission Board's Overseas Budget which supports missionaries and their work.
