Mothers if you have a daughter of any age this Bible Study is for YOU. This is a 6 week Bible Study, each session will be 45 minutes to 1 hour. The 5 conversations that we will be covering are.....

- You are more than the sum of your parts.
- Sex is great... but worth the wait.
- It's OK to dream about marriage and motherhood.
- Don't be in such a hurry to grow up.
- Girls gone wild are a dime a dozen-Dare to be different.

This book also includes invaluable tips on having each conversation across the various stages of development. Five and under, six to eleven, twelve and up. On the last session we will invite our Daughters to join us and celebrate how special we think they are...

Rick and Lori Mouse are new facilitators of Olivet's young couples' class, *The Breakfast Club*. Some fun times and good memories can come from involvement in such a small group setting.

Rather than using the "typical" Sunday School literature, we are beginning the new year with Family-Life's 6-week Homebuilders Couples Series entitled, *"Improving Communication In Your Marriage/Relationship."* This is a small-group Bible study dedicated to making your family all that God intended.

In addition to studying the Word together, Rick and I wish to host numerous social events to provide opportunities for further enjoyment and relationship building.
