SUPER SUNDAY

Is apparently February 5, 2012. For those of you who are not football fans, that is Super Bowl Day. As I recall, last year we have about a foot of snow and all the decorations I bought were not put to use. If anyone is interested, we can try again this year at my house. We'll talk about it this coming Sunday.

CONGRATULATIONS

To Robert and Erna Pickerel for their 36th wedding anniversary. In today's society, that's a real event!

CLASS DIRECTORY

As some of you may know, I emailed the Class Directory to everyone whose email address I have. If you don't have email and would like a hard copy, I will give you the master and you can make a copy.
